

PRODUCT BULLETIN

DIRECTOR 2405

Heavy Duty Low Alkali Detergent

Description of Product

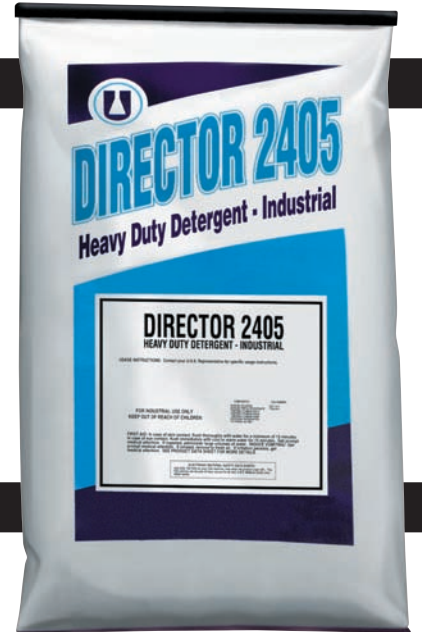

DIRECTOR 2405 is a dry low alkali industrial detergent. Protective of service life. For use with a U.N.X. Director.

Where to Use

- In industrial laundries for superior detergency and reduced rinsing.
- *For heavy duty soil removal in hospitality and health care.*
- Operations interested in reducing water and energy costs.

Features

1. Remarkable detergency at low alkalinity.
2. Reduced rinsing requirements.
3. Very highly phosphated. Result: Enhanced removal and dispersion of particulate soils.
4. Includes anionic and nonionic agents for superior emulsification of oils and greases.
5. *Substantial energy and water savings potential.*
