

PRODUCT BULLETIN

FLO-SURE

Premier Detergent Concentrate

Description of Product

FLO-SURE* is a neutral liquid detergent concentrate. Innovative combination of anionic and nonionic agents. *Designed for heavy soil and difficult washing conditions.*

Where to Use

- Heavy soil health care and hospitality operations.
- *For lower than normal washing temperatures.*
- For medium to high hardness water.
- Where a variety of soils is encountered.

Features

1. Special combination of four detergent agents.
2. Significant contribution by anionic detergent agents.
3. Fast wetting action.
4. Unusually effective on particulate soils.
5. Selected solvents complement detergency action.
6. Desired suds level in waters of varying hardness.
7. High concentration of fluorescent brighteners.
8. Distinctive fragrance.
9. Color: Dark Orange

*For use with alkali builder.

For specific usage instructions, please contact your local U.N.X. Territory Manager. After a comprehensive survey of your operation, a customized procedure will be developed.
