

PRODUCT BULLETIN

U.N.X. FREEZER CLEANER

Assures Low Temperature Quality Cleaning

Type of Product

U.N.X. FREEZER CLEANER is a superior cleaning compound designed exclusively for use in freezers and cold boxes.

Where to Use

- Freezers, refrigerators, and cold boxes to effectively de-ice floors, walls, and shelves in addition to cleaning quickly.
- Soiled areas in freezers and cold boxes.

Features

1. U.N.X. FREEZER CLEANER is formulated to resist freezing.
2. Produces a de-icing effect on ice spots.
3. No rinse formula for non-food contact surfaces.

***How to use: Do not dilute U.N.X. FREEZER CLEANER.** Pour concentrated product into a spray bottle for small area application. Clean by spraying and wiping. For large areas, pour concentrated product into a mop bucket for application. Mop as usual. *No rinsing required.*

For specific usage instructions, please contact your local U.N.X. Territory Manager. After a comprehensive survey of your operation, a customized procedure will be developed.
