

PRODUCT BULLETIN

LIQUID SOUR BRIGHT

Fast Acting Rust Neutralizer

Description of Product

LIQUID SOUR BRIGHT is a neutralizer designed specifically for shirt laundries in relatively high bicarbonate areas. Protects against damage caused by most sours due to bleeding of reactive dyes.

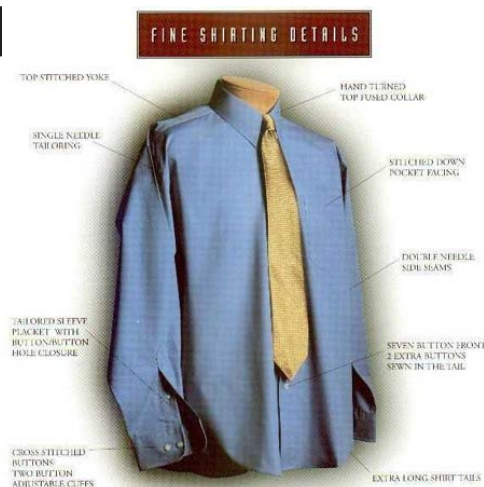

Where to Use

- In shirt laundries for the protection of dyes.
- Effective in high bicarb water.

Features

1. Carefully buffered sour strength to protect reactive dyes.
2. Helps to control iron in water.
3. Souring action fast and complete.
4. Prevents over-souring.
5. Fluorescent brightener enhances shirt appearance.

Color: Mint Green

For specific usage instructions, please contact your local U.N.X. Representative. After a comprehensive survey of your operation, a customized procedure will be developed.
