

PRODUCT BULLETIN

NOVEX

Specific Enzyme Booster

Description of Product

NOVEX is a phosphated liquid buffered alkali for exclusive use with liquid enzyme detergents. It provides the right environment for *optimum enzyme performance*.

Where to Use

- In nursing home operations in combination with **BIO-BOOST**.
- Same product combination for hotels and motels.
- *For superior quality at competitive costs.*

Features

1. Buffered alkalinity and pH for optimum enzyme performance.
2. NOVEX counteracts high water hardness and iron in water supply.
3. *Buffered alkalinity means water savings.*
4. Color: Natural.

For specific usage instructions, please contact your local U.N.X. Territory Manager. After a comprehensive survey of your operation, a customized procedure will be developed.
