

PRODUCT BULLETIN

DISHWASHING PRESOAKS

DRY / LIQUID

KNACK

Silver and stainless presoak formulated to be completely soluble, even in cold water. Rapidly penetrates and loosens food deposits. No excessive sudsing.

LIQUID KNACK

Silver and stainless presoak in an easy to use liquid. A specialty to the presoak product line.

O TWO

Heavy duty oxygen presoak. Removes tough stains and baked on foods. Excellent soil and tarnish remover for coffee cups, tea glasses and silverware.
