

PRODUCT BULLETIN

SUPER FLO-KON

High Strength Alkali Builder

Type of Product

SUPER FLO-KON NP is a premium high strength liquid alkali builder. It features high pH and high alkalinity and is fortified with strong sequestering and chelating activity. Used with dispenser.

Where to Use

- Use in combination with a selected neutral detergent for heavy duty washing in health care, hospitality, and linen plants. Especially effective in nursing home operations combined with FLO-PLUS or other popular U.N.X. products.

Features

1. Powerful alkali combination for the most resistant soils and stains.
2. **SUPER FLO-KON NP** contains selected organic and inorganic chelating and sequestering agents for optimum soil removal.
3. Effective in hard water.
4. **SUPER FLO-KON NP** is unusually fast rinsing. Water saver.
5. Can be used with a variety of liquid detergents.
6. Swells fibers for more ready release of soils.
7. Non-phosphate.
8. Color: Water White.
