

PRODUCT BULLETIN

ZYME-POWER

Specific Enzyme Booster

Description of Product

ZYME-POWER is a liquid buffered alkali for exclusive use with liquid enzyme detergents. It provides the right environment for *optimum enzyme performance*.

Where to Use

- In nursing home operations in combination with **BIO-POWER**.
- Same product combination for hotels and motels.
- *For superior quality at competitive costs.*

Features

1. Buffered alkalinity and pH for optimum enzyme performance.
2. ZYME-POWER counteracts high water hardness and iron in water supply.
3. Provides superior sequestering action on particulate soil.
4. ZYME-POWER ties up iron thus eliminating rust problems.
5. *Buffered alkalinity means water savings.*
6. Color: Light Amber
