Features & Benefits

- EPA Registered
- Rinse-free application when used to sanitize food contact items such as including items such as drinking glasses, dishes and eating utensils.
- When used as directed, this product is formulated to disinfect hard, non-porous, inanimate environmental surfaces: floors, walls, metal surfaces, stainless steel surfaces, glazed porcelain, glazed ceramic tile, plastic surfaces, bathrooms, shower stalls, bathtubs, cabinets, tables, chairs, and telephones.
- Deodorizes those areas, which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, pet areas and any other areas, which are prone to odors caused by microorganisms.
- For more information regarding the multiple uses of Ally for sanitization or disinfection purposes please consult the product label.

Available Sizes

Product ID	Case Size	Yield Rate: Quarts	Yield Rate: Gallons
#16853	4 x 1 Gallon Case	8,192	2,048
